ANNUAL TOWN MEETING, March 13, 1968

Commonwealth of Massachusetts

The meeting was called to order by Moderator Curran at 8 P.M. and 153 persons present, a sufficient number for a quorum, the Town Clerk read the warrant and the officers return thereon.

Radio station WMRC broadcast the meeting.

Article 1. To hear and act upon reports of all Town Officers and Committees of said Town.

The following Resolution was read by Supt. of Schools, David I. Davoren:

RESOLUTION

WHEREAS, the Almighty has seen fit to call Ernest A. Lombardi to his eternal reward, and

WHEREAS, Ernest A. Lombardi served his community unselfishly as chairman, vice chairman and a member of the School Committee over a period of fifteen years; also as a Town Meeting member, a member of the School Building Planning Committee and a member of the Memorial School Building Committee,

WHEREAS, his service was characterized by a profound desire to improve the programs to be offered to the youth in our schools; and

WHEREAS, he labored tirelessly and diligently to improve plant facilities and to attract well-qualified teachers to staff our classes; and

WHEREAS, by his example and interest he won the respect and affection of those with whom he served on the School Committee; and

WHEREAS, the school children of Milford have suffered a great loss in the passing of their friend and champion,

THEREFORE BE IT RESOLVED, that the Milford School Committee and all the personnel of the School Department renew their dedication to the continued improvement of all aspects of the schools which Ernest A. Lombardi cherished so fondly, and

THEREFORE BE IT RESOLVED, that as a symbol of our respect, we suspend the business of this meeting for a silent tribute to his memory, and that a copy of this resolution be presented to his family, and a copy be inserted in the next Annual Town Report.

DAVID I. DAVOREN

The following Resolution was read by Mr. Louis L. Guerriere:

RESOLUTION

WHEREAS, the citizens of Milford have learned with deep regret and sorrow of the death of Ambrose Luchini, and

PAUL F. CURRAN

(Note: Mr. Paul F. Curran is a member from Precinct 5 and no relation to the Moderator.)

At this point Mr. Maher presented the following motion and it was: Voted That this Annual Meeting be adjourned temporarily for the purpose of calling the Special Meeting scheduled for this date and hour to order.

The Town Clerk read the warrant and the officers return thereon.

Mr. Cullen presented the following motion and it was: Voted: That this Special Meeting be adjourned until Articles 1 through 42 of the Annual Meeting Warrant have been acted on.

Chairman of Selectmen John T. Maher addressed the meeting at this time.

The following report was read by David I. Davoren for the School Building Committee:

MILFORD SCHOOL BUILDING COMMITTEE

Milford, Massachusetts

March 13, 1968

In compliance with a vote taken on February 14, 1968, the annual report of the Milford School Building Committee is submitted respectfully to the Town Meeting as follows:

Since presentation of the previous report, the Committee has continued with the planning of the best educational facility possible to serve our future high school students and to meet our community needs as well.

Educational specifications have been studied and evaluated during the past year.

Numerous architectural firms were contacted and following a selection procedure including interviews, the Wendell T. Phillips Associates were engaged and a contract has been signed with this company.

Topographical work has been completed and meetings have been held with the Bureau of School Building Assistance.

Curriculum studies have been completed and authorization of the State to proceed with preliminary plans has been obtained.

After considerable deliberation, it was decided to confer with educational consultants. Following interviews with some of the leading consultants in the east, the Committee signed a contract with Englehardt, Englehardt and Leggett, Inc. of Purdy Station, Westchester County, New York. This nationally known agency is in the process at present, of formulating educational plans for the building to provide for the needs of our students in the years which lie ahead.

At the present time the educational planning, design work and structural planning are well under way.

The Committee expects to proceed from preliminary plans into detailed plans and specifications so that bidding on actual construction will take place in the fall of this calendar year.

Respectfully submitted,

DAVID I. DAVOREN

for Milford School Building Committee

It was moved and seconded to receive the report and place on file.

The following report was read by Joseph R. Manella.

COMMITTEE TO ESTABLISH A FIRE PREVENTION CODE

Mr. Moderator:

The committee to establish a Fire Prevention Code under Article 62 of the Annual Town Meeting, acted upon and authorized thereby at the adjourned Town Meeting of March 22, 1967, respectfully submits the following report.

Upon making a preliminary study of the American Insurance Association's recommended Fire Prevention Code, together with its abbreviated edition, "National Recognized Standards and Publications on Fire Prevention and Safety," Chapters 143 and 148 of the Massachusetts General Laws, as well as codes from various communities within the Commonwealth, the Committee realizes that to present a Fire Prevention Code at this time would be neither feasible nor desirable.

The study to date indicates that a Fire Prevention Code is of such scope and magnitude, touching as it does upon every facet of community living and with so many complexities and plausible consequences, that recommendations based upon superficial investigation and evaluations would be detrimental to the objectives and responsibilities of sound town government.

It is further recognized, since each community is an entity in itself, with its own particular compositions and problems, that a Fire Prevention Code should be tailor-made to fit our own situation and to present solutions to Milford's particular problems in accordance with the Federal and State laws.

Therefore, it is the desire of this Committee to continue its study and evaluation of all the recommendations set forth in the various laws, codes, standards and publications so as to enable it to present at the next Annual Town Meeting a Fire Prevention Code which will fully protect the rights, life and property of all of our citizens from the ominous and ever present threat of fire.

Respectfully submitted,
JOSEPH R. MANELLA, *Chairman*
JOHN HENNESSY, *Secretary*
NOAH DeMATTIA
VINCENT PASACANE
WILLIAM BALMELLI

It was moved and seconded to receive the report and place on file.

The following report was read by William J. Balmelli:

The Committee to Investigate the Feasibility of Establishing a Department of Public Works in Milford organized on October 18, 1967, with John T. Glennon, temporary chairman, presiding. William J. Balmelli was elected permanent chairman and Joseph B. Vitalini was elected secretary.

Six meetings were held from October to the present time. The committee has contacted two universities and Dean Junior College in order to determine what data is available. The committee expects to contact other schools, government agencies, towns and individuals. This year's warrant will be studied to compile the expenditures in the departments which might come under a Department of Public Works and to hold public hearings.

Chapter 69C of the General Laws pertains to the establishment of a Board of Public Works. According to this law a town must act favorably on the question three times before it goes into effect: At a special town meeting, at the next annual town meeting, and at the subsequent town election. If approved at the town election, election of a three member board of commissioners would take place at the next town election. In other words, the earliest that Milford could have an operating Department of Public Works would be March 1971.

This committee will continue to collect and study all available data and at the next special or annual town meeting will make a recommendation which we believe will be in the best interest of the Town of Milford.

Respectfully submitted,
Committee to Investigate the Feasibility of
Establishing a Department of Public Works
WILLIAM J. BALMELLI, *Chairman*

It was moved and seconded to accept the report and place on file.

It was moved and seconded to accept the reports of all Town Offices and Committees in the Town Report.

SPECIAL TOWN MEETING, May 20, 1968

The meeting was called to order by Moderator Curran at 8 P.M. An election was held in Precinct 5 and Phyllis Kusmin, 13 Hale Avenue was elected to fill the vacancy.

The monitors checked the precincts and 123 persons were declared present, a sufficient number for a quorum.

Moderator Curran read the following Resolution:

Tonight's meeting is the one hundred and fifteenth that I have opened in the past twenty-five years and it is the first one that I can recall that will not be enriched by the presence of Clem Moran. On March 25th, Clem made the motion for the final adjournment of our annual Town Meeting and one week later, to the day, final adjournment came to him.

Clem Moran was a faithful and active member of this body since its inception, and I am certain that the record will show that no other person had a better record of attendance.

His contribution to the government of this community, as well as to our fraternal and social activities, were those of a leader; but he was also one of those men who was always standing in the wings, to use a show business expression, ready and willing to render what assistance he could to any worthy cause.

A long time employee of the school department, a prominent member and officer of several fraternal organizations, Clem Moran was that type of person that one could depend upon to carry out faithfully and competently any task that was assigned to him.

THEREFORE BE IT RESOLVED: That as a mark of respect that this body show its appreciation for his solid contribution to our meetings, by rendering a silent tribute to the memory of Clement H. Moran and

BE IT FURTHER RESOLVED: That this resolution be published in the next annual Town Report and that a copy of this resolution be forwarded to his immediate family.

JOHN F. CURRAN

Selectman Maher read the following Resolution:

This meeting has learned with profound regret and sorrow of the passing of former Finance Committee Chairman John L. Manuel, a member of this meeting for a great many years.

His was a solid contribution to the well-being of this community. His interest in youth, veterans' and fraternal affairs within the Town of Milford was substantial over the years, and the Town benefited greatly by his presence.

THEREFORE BE IT RESOLVED: That as a mark of our respect the business of this meeting be suspended while the members stand in silent tribute to his memory.

AND BE IT FURTHER RESOLVED: That a copy of these resolutions be forwarded to his family and that these resolutions be published in the next Annual Town Report.

JOHN T. MAHER
THOMAS J. CULLEN
LOUIS P. BERTONAZZI
Selectmen of Milford

Highway Surveyor Bega read the following Resolution:

WHEREAS, The Citizens of Milford have learned with regret and sorrow of the death of J. Frank Cahill and

WHEREAS, MR. CAHILL, A member of this body for many years and former Highway Surveyor of the Highway Department, who served long and faithfully the Citizens of Milford and

WHEREAS, his long and Honorable service performed efficiently and conscientiously for the benefit of all of our Citizens, in his passing the Town has lost a devoted and faithful servant.

THEREFORE BE IT RESOLVED, that as a symbol of our respect that the business of this meeting be suspended and that the members stand in silent tribute to his memory and

BE IT FURTHER RESOLVED that his family be presented a copy of these resolutions and that a copy be inserted in the records of the next Annual Town Report.

Article 8. To see if the Town will vote to amend the Milford Zoning Map by changing from Residence A (RA) and Residence C (RC) to Residence B (RB) an area on the west slopes of Bear Hill, described as follows: Bounded by a line beginning at the intersection of Godfrey Brook and the Charles River, easterly 2000 feet along a line between that point and a point 400 feet southerly of the southerly sideline of Central Street; thence northerly approximately 2000 feet to a point on the centerline of Central Street 300 feet westerly of its intersection with Mt. Pleasant Street, thence westerly along the centerline of Central Street to the existing IA district, thence southerly by that district boundary to the point of beginning; or take any action in relation thereto.

(Renaldo DeLuzio)

The following report was read from the Planning Board by Chairman William J. Balmelli.

A public hearing was held at 9 P.M. on May 7, 1968 at the office of the Planning Board on the zoning proposal of Mr. Reno DeLuzio to rezone an area on the west slope of Bear Hill from Residence A (RA) and Residence C (RC) to Residence B (RB).

Mr. DeLuzio presented the proposal and stated that all of the residents and land owners in the area under consideration were in favor of the proposed change. There were no objections to the proposal.

The hearing closed at 9:30 P.M. and it was voted to take the matter under advisement.

At its meeting on May 16, the Planning Board voted to recommend favorable action on this proposal because it was favored by the residents and owners of land in the area and the change is consistent with the objectives of the master plan.

Milford Planning Board
WILLIAM J. BALMELLI
Chairman

Voted: That the Town vote to amend the Milford Zoning Map by changing from Residence A (RA) and Residence C (RC) to Residence B (RB) an area on the west slopes of Bear Hill, described as follows:

Bounded by a line beginning at the intersection of Godfrey Brook and the Charles River, easterly 2000 feet along a line between that point and a point 400 feet southerly of the southerly sideline of Central Street; thence northerly approximately 2000 feet to a point on the centerline of Central Street 300 feet westerly of its intersection with Mt. Pleasant Street, thence westerly along the centerline of Central Street to the existing IA district, thence southerly by that district boundary to the point of beginning.

Voice vote unanimous.

Article 9. To see if the Town will vote to amend the Milford Zoning Map by changing from Residence C (RC) to Industrial B (IB) an area southerly of Bear Hill, described as follows: Bounded by a line beginning at the Intersection of Godfrey Brook and the Charles River, easterly to a point on the centerline of Beaver Street 400 feet south of the southerly sideline of Central Street; thence southerly by the centerline of Beaver Street to a point 500 feet northerly of the northerly sideline of Maple Street; thence easterly by a line 500 feet northerly of and parallel to the northerly sideline of Maple Street; thence southerly by the existing IB district, southwesterly by the Bellingham town line, and northerly by the

IB district voted at the March, 1968 Annual Town Meeting, to the point of the beginning or take any action thereto. (Louis Guerriere)

The following report was read from the Planning Board by Chairman William J. Balmelli.

A public hearing was held at 8:30 P.M. on May 7, 1968, at the office of the Planning Board on the zoning proposal of Mr. Louis Guerriere to change the present zoning of an area southerly of Bear Hill on Beaver and Maple Streets from Residence C (RC) to Industrial B (IB).

Mr. Guerriere stated that he was acting in the best interests of the Town; that he felt that the future of the Town would be best served by having the zoning changed. He stated that much of the land presently zoned for industrial use in this area was held by a single owner and available for development only as a single package. This area also abuts land which was rezoned for industrial use at the Annual Town Meeting in March.

None of the present owners of the land in the area under consideration appeared at the hearing to speak in favor of the change.

Atty. Joseph Gattoni appeared as a representative of the residents in the neighborhood to voice their objections to the proposed change. Their position was that this proposal was premature in that there is a substantial amount of land which is presently zoned for industrial use which has not been developed and there is no need for more industrial land until some of that land has been used. The residents expressed the fear that they would soon be surrounded by industrially zoned land.

The hearing was closed at 9 P.M. and the matter taken under advisement.

At its meeting on May 16, the Planning Board voted to recommend unfavorable action on this proposed zoning change for the following reasons:

1. The residents for the neighborhood strongly object to the change,
2. The Town has hundreds of acres of industrially zoned land which are undeveloped and there is no need for more of the same,
3. Access to the area would to a large extent, be through residentially zoned land,
4. None of the owners of the land in the area under consideration appeared at the hearing to support the proposed change.

Milford Planning Board
WILLIAM J. BALMELLI
Chairman

It was moved and seconded that the Town will vote to amend the Milford Zoning Map by changing from Residence C (RC) to Industrial B (IB) an area southerly of Bear Hill, described as follows:

Bounded by a line beginning at the intersection of Godfrey Brook and the Charles River, easterly to a point on the centerline of Beaver Street 400 feet south of the southerly sideline of Central Street; thence southerly by the centerline of Beaver Street to a point 500 feet northerly of the northerly sideline of Maple Street; thence easterly by a line 500 feet northerly of and parallel to the northerly sideline of Maple Street; thence southerly by the existing IB district, southwesterly by the Bellingham town line, and northerly by the IB district voted at the March, 1968 Annual Town Meeting, to the point of the beginning.

A standing vote showed 15 in favor and 92 opposed—the motion was declared lost.

Roy Lovell, Chairman of the Finance Committee asked for unanimous consent to dissolve the Warrant. This was given by the members.

The Warrant was dissolved at 9:45 P.M.

SPECIAL TOWN MEETING, NOVEMBER 18th 1968

The meeting was called to order by Moderator Curran at 8 P.M. An election was held in Precinct 5 and Andrew A. Gala, Gibbon Ave., was elected to the 3 yr. term and Beverly Davis, Muriel Lane was elected to the 2 yr. term. Both expire in March 1969.

The monitors checked the precincts and 123 persons were declared present, a sufficient number for a quorum.

The Town Clerk read the warrant and the officers returned thereon. It was moved and seconded to take up the Special Town Meeting. The Town Clerk read the warrant and the officers returned thereon.

At this time the following resolution was presented.

RESOLUTION

WHEREAS, The citizens of Milford have learned with deep regret and sorrow of the death of MARINE LANCE CORPORAL, DAVID M. ST. JOHN, U.S.M.C. KILLED IN ACTION IN VIETNAM, and

WHEREAS, MARINE LANCE CORPORAL, DAVID M. ST. JOHN served diligently as a Member of our Armed Forces

WHEREAS, MARINE LANCE CORPORAL, DAVID M. St. JOHN performed all his duties as a loyal son of Milford

THEREFORE BE IT RESOLVED, that as a symbol of our respect, we suspend the business of this meeting for a silent tribute to his memory, and that a copy of this resolution be presented to his family, and a copy be inserted in the next Annual Town Report.

ANTHONY MASTROIANNI
Veterans' Agent

At this time the following Resolution was presented.

RESOLUTION

WHEREAS, the Citizens of Milford have learned with profound sorrow and regret of the death of James E. Birmingham, and

WHEREAS, for a great many years he served his community as a member of the Finance Committee and Town Meeting as well as Executive Director of the Milford Housing Authority.

James Birmingham was a dedicated public servant whose compassion, deep understanding and sense of humor were known and respected by his colleagues.

WHEREAS, he was truly dedicated to the cause of the veteran and the elderly and the solution of housing problems and

WHEREAS, it was largely through his efforts and direction that sufficient housing was provided for the veteran and the elderly including the newly finished project for the elderly fittingly named "Birmingham Court"

WHEREAS, Birmingham Court and the other housing projects will always be permanent memorials to his dedication and devotion to duty, therefore

BE IT RESOLVED, that as a mark of respect that this body stand in silent tribute to his memory, and

BE IT FURTHER RESOLVED, that a copy of these resolutions be sent to his family and that they be published in the next annual Town Report.

WILLIAM F. FITZPATRICK
Chief of Police

The members stood in silent tribute to the deceased members.

Article 1. To see if the Town will vote to transfer from the Excess & Deficiency Account the sum of \$8,500.00 to the Veterans' Benefits Account, or take any action in relation thereto.

(Veterans' Department)

Voted: That the Town vote to transfer from the Excess & Deficiency Account or available funds a sum of \$8,500.00 to the Veterans' Benefits Account.

It was moved and seconded to dissolve the warrant.

At this time Chairman Maher addressed the meeting.

A report of progress was presented by Mr. David I. Davoren on the Proposed New High School.

It was moved and seconded to accept the report of the School Building Committee.

At this time the following report was presented by Michael Noferi.

REPORT OF THE TOWN GOVERNMENT STUDY COMMITTEE

The following is the report of the Town Government Study Committee which was appointed by the Selectmen in April of this year. The committee has held 10 meetings since its formation and has been engaged in a study of the structure of our local government. At our initial meeting we defined the purpose of the committee as follows: 1) What is the structure of our town government? 2) How effective is the present structure? 3) How can it be run better?

The committee first sent letters to all Town departments, boards and commissions requesting each to state their powers and duties. At this time we would like to express our appreciation to the department heads for their cooperation. Secondly, we referred to the general laws of the Commonwealth of Massachusetts which applied to the powers and duties of the town departments, boards and commissions.

The committee then studied the feasibility of a Home Rule Charter Commission. At this time the committee strongly and unanimously recommends the establishment of a Home Rule Charter Commission. You may ask what is the distinction between a Home Rule Charter and our present form of government; this can best be explained by saying that under our present form of government the town can only do that which is allowed by the legislature, whereas under the Home Rule the town could govern itself in any way it desired except where specifically forbidden by the legislature.

In order to adopt a Home Rule Charter the Town of Milford must establish a Home Rule Charter Commission. The question of establishing such a commission must be placed on the ballot in March. In order to do this a petition with the signatures of 15% of the registered voters or approximately 1500 signatures must be filed with the Board of Registrars at least 60 days prior to the annual town election. Presently we are circulating these papers and we ask your support.

Any registered voter may run for this Charter Commission which will be made up of nine persons who must file nomination papers at least 28 days before the election with fifty valid signatures. At the annual election, if the majority of votes cast are in favor of the adoption of the Home Rule Charter Commission, the nine candidates receiving the highest number of votes will be elected to this commission. The town would then appropriate \$2000 for the commission's use. The commission would include a chairman, vice-chairman and clerk within its members. Within 45 days after its election, the commission would hold a public hearing for citizens to present proposals.

Within eight months after its election the Charter Commission must prepare a preliminary report including the text of the proposed charter which the commission intends to submit to the voters. Public hearings would follow publication and the Attorney-General would examine the proposals and notify the commission of any conflicts between the proposals and the State's constitution and laws. Then, this in turn must be submitted to the local voters for their approval or rejection at the next regular town election.

In addition to this proposal the Town Government Study Committee also recommends the changing of the term of selectmen to three years, one to be elected annually on a rotating basis and it has also

recommended the establishment of a committee to realign the local precincts.

Respectfully submitted,
Michael J. Noferi, *Chairman*

It was moved and seconded to accept the report as read.

At this time Roy Lovell, Chairman of the Finance Committee addressed the meeting.

Article 1. To see if the Town will vote to appropriate a sum of money for the purpose of obtaining, buying, procuring or otherwise purchasing departmental equipment for the School Department, namely, a temporary classroom building, and determine whether the money shall be provided by taxation, by transfer from available funds in the Treasury, by borrowing, or by any combination thereof.

(Milford School Committee)

Voted: That the Town vote to appropriate the sum of twenty-eight thousand (\$28,000) dollars for the purpose of obtaining, buying, procuring or otherwise purchasing departmental equipment for the School Department, namely, a temporary classroom building, of which the sum of three thousand (\$3,000) dollars shall be appropriated from available funds in the Treasury, and the Treasurer, with the approval of the Selectmen, be authorized to borrow the balance of twenty-five thousand (\$25,000) dollars under the provisions of General Laws, Chapter 44, Section 7, Clause 9 and to issue bonds or notes of the Town thereof in accordance with the provisions of Chapter 44 so that the whole loan shall be paid in not more than five (5) years from the date of issue of the first bond or note.

The Town Meeting Members stood and took an oath administered by the Moderator.

Voice vote unanimous.

Article 2. To see if the Town will authorize the school committee, in accordance with General Laws Chapter 149, Section 1781 as amended by Chapter 633 of the Acts of 1968, to designate an attorney as a

representative of the school committee for the purpose of bargaining with employee organizations for school employees, or will take any other action relating to the same.

(Milford School Committee)

Voted: That the Town vote to authorize the School Committee, in accordance with the General Laws Chapter 149, Section 1781 as amended by Chapter 633 of the Acts of 1968, to designate an attorney as a representative of the school committee for the purpose of bargaining with employee organizations for school employees.

Voice vote unanimous.

Article 3. To see if the Town will vote to adopt the following by-law, or take any action thereto.

(Milford Planning Board)

Section 1. A Committee to be known as the Capital Improvements Committee shall be established composed of two members of the Town Finance Committee appointed by and from it, one member of the Town Planning Board appointed by and from it, and two additional members to be appointed by the Moderator. One Moderator's appointment shall be for one year. The other Moderator's appointment and all future replacements by the Moderator shall be for a two year term, except when filling vacancies. Any vacancies shall be filled by the original appointing authority for the balance of the year in which the vacancy occurs. No person who is an elected officer of the Town (except Town Meeting Members) or a member of any board or commission of the Town, or an appointive employee of the Town shall be appointed by the Moderator. All appointments are to be made each year immediately following the final adjournment of each Annual Town Meeting.

Section 2. The Capital Improvements Committee shall choose from it members a chairman and secretary, shall regulate its proceedings, and shall serve without pay.

Section 3. The committee may employ clerical or other assistance, to be paid from such funds as the Town may appropriate for the use of said committee.

Section 4. Capital Improvement is to be defined as "A physical betterment or item of equipment having a cost of \$5,000.00 or more OR the purchase of land."

Section 5. The Capital Improvements Committee shall study and schedule capital improvements covering a period of at least six years, based

on a system of fiscal guidelines and priorities. The Committee shall make recommendations on all Capital Improvements brought before the town meeting, indicating approval or not, and proposed method of financing.

Section 6. The Selectmen, and all boards, committees, head of departments or other officers of the town authorized by law to expend money shall furnish to the Capital Improvements Committee before November 1 detailed estimates of the amounts necessary for capital improvements for the departments under their jurisdiction for the following six years. A capital improvement item may not be voted at any regular or special town meeting until it has been presented in written form to the Capital Improvements Committee.

Section 7. The committee shall annually prepare a Capital Improvements Program to include at least the anticipated six year schedule of capital improvements and recommendations for action for the following year. The committee shall reproduce such report by February first each year and shall submit it to the Finance Committee, and deposit the original with the Town Clerk. Copies shall be available on request.

(Board of Selectmen and Planning Board)

Annual Report of the Veterans' Services Department

INTRODUCTION

The Veterans' Services Department of the Town of Milford, herewith submits its Annual Report for the year, December 31, 1968.

The main objective of the Veterans' Services Department, is to provide benefits from various sources to protect the best interest of our veterans and their dependents.

Since Vietnam Era soldiers, sailors, airmen and marines began to receive discharges in increasing numbers, the total living veterans population has crept to a new peak of more than 26 million. An estimated 600 Vietnam Era veterans of Milford have been seperated from active duty after August 5, 1964.

These continous discharges have created a volume of work to assure our veterans of their entitled benefits.

The year 1968 brought additional benefits to our veterans and their dependents. Changes in educational benefits, cost of living increases to pensioners, hospitalization, G.I. Loans, to list but a few of these many changes.

The increasing veterans population and the constant change in Legislation has given the Veterans' Services Department a great challenge. The Veterans' Services Department has performed their duties with great efficiency to combat this challenge.

Our Annual Report will provide general information concerning State and Federal benefits for veterans, their dependents and beneficiaries.

The report will consist of the following:

- I. State Benefits
- II. Federal Benefits
- III. Financial Statement
- IV. Acknowledgment and Recommendations

I. STATE BENEFITS

Veterans Benefits: This program is of the most concern to all because it represents the major expenditure in our budget. Financial assistance is granted to veterans and their dependents in time of need. In order to qualify, veteran must have entered service accredited to Massachusetts or have resided in the Commonwealth for three consecutive years. The town receives 50% reimbursement for expenditures made in this category.

Bonus: Well over 600 Vietnam veterans filed for this benefit during the year 1968.

Educational Benefits: Veterans who served in Vietnam are entitled to free tuition at State supported facilities.

Tax Abatements: Veterans who have a wartime service-connected disability are entitled to \$2,000.00 deduction in real estate tax.

There are numerous other benefits available through State Legislation. Further information may be obtained at the Local Veterans' Services Department.

II FEDERAL BENEFITS

Compensation and Pension: Monetary benefits paid for service-connected disabilities and non-service connected disabilities.

Educational Benefits: Monetary benefits paid to veterans of post Korean Affair, World War 2 and Korean Conflict are exhausted. It is worthy to note that 60 Billion dollars is added to Federal income taxes because veterans who studied under the first two GI Bills now earn 30% more than non-veterans. An estimate of 10 million veterans took advantage of educational benefits.

Hospitalization: Medical care for all veterans in Veterans Administration facilities. Our Veterans Administration Medical Program is credited with implanted cardiac pacemaker, successful chemotherapy for tuberculosis, improved psychiatric treatment, artificial limbs applied during amputation operation, successful organ transplants and development of artificial kidney units. The medical care available to our deserving veterans is the best in the world.

Orphans Educational Assistance: Monetary awards to children of veterans whose deaths or permanent total disabilities were service connected.

GI Loans: For veterans and eligible widows of World War 2, Korean Conflict period and post Korean Conflict period.

There are many outstanding benefits available to our veterans and their dependents. If confronted with a veteran's problem, you may look to the Veterans' Service Department.

IV. ACKNOWLEDGMENT

We express our gratitude⁷ to all agencies who have assisted the Veterans' Services Department during the year 1968. To the Board of Selectmen, various town departments, Social Service Index, Red Cross, Boston Regional Office of the Veterans' Administration, Social Security and Unemployment Compensation offices, we are indebted for their efforts in behalf of veterans and their dependents during the past year. I would like to pay tribute to approximately 30 men from Milford now serving their country in this time of peril in Vietnam, and especially those who have made the supreme sacrifice.

Praises to my staff for devoted and diligent work in behalf of those who served.

The volume of work in behalf of veterans and their dependents is on a steady incline and we, in Veterans' Services, look forward to extending prompt, efficient and courteous service for years to come.

Respectfully submitted,
ANTHONY J. MASTROIANNI
Director

Report of The Milford Finance Committee

To the Honorable Board of Selectmen:

Herewith I submit respectfully the following report for the year ending December 31, 1968.

The Finance Committee had their organizational meeting on May 14 with the same slate of officers elected for the 1968 year, that is Roy Lovell, chairman; Joseph Vitalini, vice chairman; and Domenic D'Alessandro, secretary. Two new members were appointed to the committee this year, Angelo DiDomenico and Robert Harlow.

Regular monthly meetings were held through-out the year and special meetings, when required, for a total of twenty-six meetings. Our sub-committees have many meetings with the Towns Dept. heads on their budgets and transfers throughout the year.

Our committee submits, herewith, the following financial report for the year ending December 31, 1968.

Salary and Wages

Report of the Animal Inspector

Board of Selectmen
 Milford Town Hall
 Milford, Mass. 01757

Gentlemen:

I hereby submit my report as Animal Inspector for the Town of Milford for the year ending December 31, 1968.

There were 20 cases of dogs investigated and quarantined for having bitten people, however, no sign of Rabies was reported in any of the cases.

As required for the Commonwealth of Massachusetts and in accordance with Section 19, Chapter 129 of General Laws, all barns and livestock in the town were inspected and found to be satisfactory.

In conclusion, I wish to thank the Board of Health and the citizens of Milford for their cooperation in 1968.

Respectfully submitted,
 JOSEPH C. FABBRICOTTI, DVM
Animal Inspector

Personnel Board Report

To the Honorable Board of Selectmen and the Citizens of Milford:

During 1968 the Personnel Board appraised the wage scale in every classification in the Town and salary increases were recommended when it was found increases were in order.

In addition the Personnel Board was delegated the task of representing the Board of Selectmen in negotiations with labor organizations representing the police and fire departments. These meetings were at times difficult and time consuming.

Due to the problems of collective bargaining and its ramifications on the wages of other unorganized employees we are of the opinion that a professional negotiator be appointed to assume this task. To ensure co-ordination among the Finance Commission, the Board of Selectmen and the Personnel Board, which will continue to recommend and set wage rates for unrepresented employees, it is further recommended that a Labor Advisory Council to sit in with the negotiator be established. This council should be comprised of one member of the Finance Commission, one of the Personnel Board and one or two ad hoc selections. This council could serve to advise the negotiator of developments taking place within the town structure and at the same time keep the Personnel Board and Finance Commission abreast of what is taking place with the organized employees. Equally significant it would serve as a liaison between the negotiator and the Board of Selectmen.

The Personnel Board wishes to express its appreciation for the courtesies that have been accorded them and for the cooperation that we have received from the Selectmen, other Town Officials and Town Employees.

Respectfully,

A. GENE NIRO, *Chairman*

WILLIAM DEPALMA, *Vice Chairman*

NICHOLAS MANNA, *Executive Secretary*

Report of the Sealer of Weights and Measures

To the Honorable Board of Selectmen

I submit my report as Sealer of Weights and Measures for the year ending December 31, 1968.

I notified in compliance with the provisions of Section 41, Chapter 98 of the General Laws of Massachusetts, as amended giving notice to all persons, that all scales, pumps and measuring devices for the purpose of buying and selling goods, wares, and merchandise to be brought in, and these devices to be tested, adjusted and sealed. I then inspected all places of business in the town of Milford.

There were approximately 520 measuring devices tested, adjusted, sealed or condemned. Sealing fees were \$556.40, which were turned over to the Town Treasurer.

Report of the Park Commissioners

Honorable Board of Selectmen
Milford, Mass.

Gentlemen:

We hereby submit our annual report for 1968.

A basketball court was prepared for conversion during winter months to an ice skating rink at Tomaso Field. There is now available for ice skating, two rinks in the Town of Milford, the other being located at Milford Town Park. A new backstop was also erected at Milford Town Park along with much filling in of land and improvements in this area. Extensive repairs to tennis courts were made and once again the hours for lighting at the tennis courts were extended and were used by individuals of all age groups, tennis tournaments and school tennis clubs.

Playgrounds were opened June 24th and closed August 23rd. Many activities were provided during this season. The Arts & Crafts phase of playground activities was actively participated, outings and the annual field day were all enthusiastically enjoyed by all in attendance.

We want to thank all Town Departments for their help and cooperation throughout the year.

Respectfully submitted,
NAZZARENO BACI, *Chairman*

Report of the Board of Sewer Commissioners for 1968

To the Citizens of Milford:

The Board of Sewer Commissioners respectfully submit this report on the Milford Sewerage System for 1968.

Collecting System. In addition to the routine maintenance operations, sections of the main line sewers in the Fruit Street area, the Dilla Street interceptor, and the West Street area were jet flushed and cleaned, and television camera inspection made of certain sections to determine the condition of the mains. Sections in West Street showed need for repair work and sections of Fruit Street showed some cracked pipes which may need replacement in a few years. The effectiveness of the jet cleaning equipment was well demonstrated and appears to be a more economical and efficient method of cleaning as compared to the hose stream flushing which has been in use. This will require the investment in the necessary equipment but will result in more efficient and effective operation. The sewer rodding equipment is also in need of repairs and budget funds are requested for this purpose.

New Construction. Extensions of the sewer system, done by the Town under contract, were made in So. Union Street, off Depot Street, and in South High Street to provide an additional outlet connection for West Street. During this construction an old underground water storage vault was uncovered at the corner of South High and West Street. This vault was filled in and covered. Extensions were also made in streets by private developers. Additional sewer construction was done at the Medway Road intersection with Route 495.

A new sewage pumping station to serve this area has been proposed and should be done at this time during the roadway construction, in anticipation of further development in this area in addition to the present dwellings. At West Fountain Street, a section of sewer was relaid to accommodate street relocation and a drainage culvert.

Construction work is tabulated as follows:

Town Construction by Contract.

So. Union St. East of Depot Street	8"	420 ft.
So. High St.—South of West Street	10"	179 ft.
West Fountain St. (Relocation)	12"	(312 ft.) (8" abandoned)
Medway Road—at 495 Intersection	8"	935 ft. (Sewer)
	6" C.I.	(377 ft.) (Force Main)
		<hr/>
Net additional sewers		1,534 ft.

Private Development sewer construction was done in a number of streets not yet recorded in the plan files.

REPORT OF THE MILFORD PLANNING BOARD

To The Honorable Board of Selectmen and Citizens of the Town of Milford:

The Planning Board held bi-monthly meetings during the year at its office at 126 Main Street with one monthly meeting held during the months of July and August.

Many plans not requiring approval were submitted to and signed by your Board and two subdivisions with a total of twenty-five lots were approved. After the required public hearings were held by this Board, it adopted several amendments to its rules and regulations governing subdivisions within the Town of Milford.

The Board received several petitions for changes to the Zoning By-law for the Town. The Board held public hearings on these requests and made its recommendations to the Town Meeting Members. The Board is gratified that its recommendations were followed; however, the Board must express its regrets that the Town Meeting failed to adopt the concept of a capitol improvements committee at the special town meeting. The March Town Meeting did vote to have the Town join the Metropolitan Area Planning Council, a move favored by the Board in order to make available to Milford certain types of assistance which would otherwise not be available.

The Board has continued to work with other Town Boards, commissions and committees for the improvement of Town affairs. The Town's Zoning By-law has been printed in booklet form and copies are available to the public at a nominal cost.

During the past year the Board has made its office available to the Building Inspector, Personnel Board, Zoning Board of Appeals, Conservation Commission and Urban Redevelopment Commission for their use.

REPORT OF THE MILFORD INDUSTRIAL DEVELOPMENT COMMISSION

To the Honorable Board of Selectmen and Citizens of the Town of Milford:

The Industrial Development Commission held regular monthly meetings and several special meetings during the year.

Guest speakers invited to address the Commission Meetings were: Mr. Thomas Early of The Massachusetts Department of Commerce and Development who outlined the State's and Milford's assets for attracting industry, and Mr. David Turner, Assistant Commission of the Massachusetts of Commerce, whose subject was Air Cargo Transportation.

Positive action taken by this commission during the past year is as follows:

1. Appointment of a Vice Chairman and Secretary
2. The formation of a Ways and Means Committee to establish positive goals for the Industrial Development Commission.
3. The formation of three task forces and two liaison officers:
 - a. Real Estate Task Force
 - b. Advertising and Public Relation Task Force
 - c. Utility Task Force
 - d. Liaison Officer for Town Offices, Boards and Committees
 - e. Liaison Officer for the Chamber of Commerce
4. A workshop symposium sponsored by the Industrial Development Commission to create an atmosphere of cooperative action between community leaders and industrial land owners. This symposium to be held January 22, 1969 at the Memorial School.

Specific goals set by this commission are:

1. Plan for immediate industrial development
2. Aid local industries with expansion programs
3. Establish and maintain a flexible fact file on area
4. Maintain up-to-date listings of area wide buildings and land sites
5. Create favorable image for Town of Milford through an effective communication program.

The time spent in 1968 to define specific goals and to organize for their accomplishment strengthens the Industrial Development Commission's prospects for positive action in the coming year.

The Industrial Development Commission wishes to express its appreciation and thanks to the many town officials who have given us their cooperation. The Commission especially wishes to thank the Chamber of Commerce and Town Clerk, Miss Coyne for their efforts on our behalf.

REPORT OF THE BUILDING INSPECTOR

To The Honorable Board Of Selectmen And Citizens Of The Town Of Milford:

The following is the third annual report of the Building Inspector of the Town of Milford for the year 1968.

I have been continuing our office hours between the hours of 8:00 A.M. and 10:00 A.M. at 126 Main Street with Mrs. Helen Consoletti as Clerk. This works out well, especially for the Builders in Town. The remainder of the day I devote to field inspections, zoning code enforcement and safety inspections.

The year 1968 definitely shows a growing trend for the Town of Milford, especially in apartment units. In 1967 we had 62 apartment units constructed in the Town; in the year 1968 we had 164 apartment units . . . also a substantial increase of 43 single family dwellings over the year 1967.

During the year I was called upon to check several delapidated buildings in conjunction with the Board of Health; also several burnt buildings were checked, together with Fire Chief Rossetti. I also established the procedure of investigating all complaints and applications from the Board of Selectmen regarding unregistered vehicles and permits for signs.

During the year 1968 the Building Inspector in conjunction with the Planning Board published the Building Code and Zoning Code in booklet form. These books are available at this office.

The following is a breakdown of the permits issued by the Building Inspector:

New Dwellings	140	\$1,981,900.00
Commercial Buildings	7	590,400.00
Additions and Remodeling	34	75,000.00
Apartment Houses (164 units)	8	960,000.00
Demolition	10	10,700.00
Signs	2	1,000.00
Occupancy	93	
Home Occupation	9	
		<hr/>
Estimated cost of construction above the cost of land for 1968:		\$3,619,000.00

The amount collected for permits: \$3,430.00

The Building Inspector and Deputy Building Inspector have devoted a total of 1,432 hours of inspection work.

The following is a breakdown of the salary account:

Appropriated:		\$5,200.00
Expended		
Mr. Noah DeMattia, inspections	\$2,393.90	
Andrew Falconer, inspections	255.30

The rat and pest extermination program is handled by Arthur Leblanc. Mr. Leblanc covers the town dump and all the brooks in town to alleviate the rat menace.

The demolition and renovation program of old and abandoned buildings and dwellings, is progressing efficiently. During 1968, 3 dwellings, 2 commercial buildings, and 4 garages were demolished at the

request of the Board of Health. Four (4) condemned buildings are owned by one trusteeship and these properties have been put into the hands of the town counsel for legal action.

Fifty-two buildings have been demolished and eight renovated since the advent of the program. Six day care nurseries are operating and have been inspected by the Health Agent, Fire Department, Building Inspector and the Wire Inspector. The Health Agent issues for the state advocated figure of \$15.00 each.

A record number of 35 premature babies were reported to the Board of Health by the hospitals in this area. In the future, this program will be handled by the Welfare Department under the Medicare program.

The agent of the Board of Health made seven appearances in the local court and one appearance in the Superior Court of Worcester, in order to correct dumps, filth and condemnation proceedings.

Report of the Burial Agent

Burial Agent Robert E. McGinnis, reports the issuance of 311 permits for the year of 1968. He also stores and issues free vaccine which is forwarded from the state to the town.

The Board has instituted an educational program through the use of pamphlets and the news media. This program covers drug abuse, the evils of smoking, the proper care of pesticides, and the alertness parents should have regarding the eyes of their children, especially pre-school. The Board expects to expand further on this program.

In September of 1968, the Board voted to undertake a study on fluoridation of the town water, and since that time, have corresponded with various legislators and organizations, and obtained large quantities of literature about fluoridation, which have been and are being studied. We expect to take positive action on fluoridation in the very near future.

The Board of Health wishes to thank the Milford Daily News and Radio Station W.M.R.C. for their assistance on the educational programs. The Board also wishes to thank the fire chief, wire inspector, selectmen, building inspector, highway department and town counsel, for their valuable assistance during the past year.

Doctor's and Nurses Report

St. Mary's and Sacred Heart Schools — Total enrollment — 1,375.

Spaced physical examinations are given to the students by Thomas P. DePalo M. D. Board of Health physician. Notices of any defects found, are sent home to the parent or guardian so corrections can be made.

The Massachusetts Vision Test, and the Audiometer Hearing test is given to the students, and notices sent home on all failures so corrections can be made. Follow-up work is done during the year to be sure the students have seen an eye or ear doctor.

The Dental clinic is held each week day morning, at the Board of Health rooms, for all students in the town up to the sixth grade. Request slips are given out by the school nurse in their school, for the parents permission for them to attend this clinic. Hugo A. Andreotti, D. M. D. is the school dentist.

Students with special health problems are referred to various clinics held in the state. The names of all the students in the town with known special health problems are sent to the state each year, by Mrs. Helen Breault R. N. public school nurse. New students are added to the list when they enter the schools, and some are removed from the list, when they have been discharged as cured, or no more treatment is needed. Follow-up work is done on these students during the year, to be sure they have their check-ups.

CLINICS

Due to the new law requiring that all school children from kindergarten through grade eight be immunized against smallpox, diphtheria, tetanus, pertussis, measles and polio, a letter was sent from the Health Dept. in Boston informing all the school nurses to check all the students records in these grades to be sure they had the required immunizations.

Health records of all the students at St. Mary's and Sacred Heart were checked, and notices sent home to the parents informing them of the immunization that they needed, or had not completed. Request slips were also sent home for the parents consent for the students to have their vaccine at the school clinics.

Three Antigen clinics for protection against diphtheria and tetanus, were given to all the students in the town in the first grades, sixth grades, and for the Juniors in the High schools. Request slips were made out and sent to the parents for their consent. Booster doses were given to the above grades and to all the students in grades one to eight who have not completed their immunizations, and to the ones who had never been immunized.

The above clinics were held at the Memorial School, set up by Mrs. Helen Breault R.N. Public School Nurse. The students from the grammar schools were bused to the school, and students from the schools near-by walked to the Memorial school. Mrs. Gertrude Healey R.N. Milford High school Nurse had the clinic for her students at the Milford High School, assisted by Mrs. Helen Breault R.N.

The parochial school students were given their immunizations in the Nurses office at St. Mary's Central Catholic High School. The grammar school children came to the High School and the Sacred Heart students came up to St. Mary's for their inoculations.

After Mrs. Breault finished her clinic, she and Dr. Thomas DePalo, the attending physician at these clinics, came to St. Mary's for my clinic.

All the consent slips were checked, and filed at the schools, and at the Board of Health office, and are recorded on their health records.

A school clinic was held at the Memorial School and at St. Mary's School for students in grades one to eight who had not had the Measles, or Measles vaccine. The public school students were immunized at the Memorial clinic, and the Sacred Heart students came up to St. Mary's. Consent slips were sent home, collected at the clinics, and filed by the nurses, and recorded on health records.

Two school polio clinics were given to the first graders in the schools, a booster dose is recommended for them in the first grade. Consent slips are made and sent home. Booster doses are given, and two doses to the ones who have never been immunized, by the school nurse, slips collected and filed, and recorded on health records.

Three pre-school clinics were held at the Memorial school Cafeteria for triple and double antigen and for Sabin oral polio. At the first and third clinic the Sabin polio was given to who ever requested it by the nurses. Dr. Thomas DePalo was the attending physician who gave the antigen inoculations. Request cards are signed by the parents at the clinic, and filed at the Bd. of Health office.

A pre-school Measles clinic, was held at the Memorial school, for the new babies, and for all others who had not as yet been immunized. Consent slips were signed by parents, and filed by the nurse at the Board of Health office. Copies are given to the parents for their records.

A Vaccination Clinic was held for the children entering school at the Memorial School, and for all others who needed to be immunized for protection against Smallpox. Dr. Thomas DePalo, the Board of Health Physician, is the attending Physician at all the clinics.

The Tuberculosis Tine test was given during the school year by the school Nurses to the students in the first grades and ninth grades. Consent slips are made and sent home with students for parents signature. Tests are given on a Monday and read on a Thursday. Any positive tests are advised to have a chest x-ray at the Milford clinic at the Milford Hospital. Consent slips are collected by the nurses at their respective schools and filed, and then recorded on the students health records. Reports of the results of these tests are sent to the Tuberculosis Supervisor in Worcester Miss Cecelia Geran R.N. who sends them to the Mass. Dept. of Public Health, Division of Tuberculosis Control Boston Mass.

The Board wishes at this time to thank Mr. Anthony Bibbo, Principal, for the use of the Memorial school Cafeteria for the clinics, and to Mrs. Helen Breault R.N. Public school nurse, who has worked at all the school clinics and preschool clinics in the town, and with the Board of Health nurse at her clinics at St. Mary's and Sacred Heart school. Her work in making out the consent slips for the various clinics is greatly appreciated.

A Chest X-ray clinic is held at the Milford Hospital, the second Wednesday of each month excepting the months of December and July.

Patients must be referred to this clinic by their family physician.
Appointments may be made by calling the Board of Health office.

REPORT OF THE POLICE DEPARTMENT

TOWN OF MILFORD MASSACHUSETTS
POLICE DEPARTMENT
WILLIAM F. FITZPATRICK, CHIEF

The Honorable Board of Selectmen
Town Hall
Milford, Massachusetts

Gentlemen:

It is my pleasure to submit the following report of arrest and other duties performed by the Milford Police Department during 1968.

Sgt. John J. McGrath, Director of the Auxiliary Police, has continued the fine progress with this unit for the year 1968. They are a most essential unit in an emergency, for without their assistance, the department would be sorely taxed.

I recommend that the pay scales be raised to compare more favorably with those in other Cities and Towns.

Your Department has continued the policy of sending men to the various Police Schools, with Sgts. Edward J. Rizoli, John J. McGrath and Americo Mancini, completing the courses at the Command Training Institute at Babson College at Wellesley, Mass. — sponsored by the New England Association of Chiefs of Police. Also, Officer James Pasacane completed a six weeks' Course at Quincy Police Academy and Officer Alfred Bacchiocchi completed a six weeks' Course at the Brockton Police Academy — to better serve you in the Police Department.

In this regard, we recommend that Police Officers, who on their own time pursue an associate or B. S. Degree in Law Enforcement, be compensated after attaining a certain amount of credits as an incentive to complete their studies and also, to increase their knowledge and efficiency to better serve you in the Police Department.

Our report will show that the increase work load from the increase in buildings and population make it imperative at this time that the Town increase the man power by (2) men.

We also recommend that we will have more supervision with the grade of Lieutenant added to the Police Department.

I take this opportunity to thank the Board of Selectmen and all other Town Departments for the cooperation during the past year.

Respectfully submitted,
WILLIAM F. FITZPATRICK
Chief of Police

REPORT OF THE CONSERVATION COMMITTEE

This committee is formulating long-range plans for the best utilization of town-owned lands for the benefit of our townspeople.

A great handicap to date has been a clear delineation of boundaries on some parcels of town property. This problem will be resolved with the completion of the Assessors' mapping of the entire town. This project is expected to be completed in the month of January, 1969.

The expanse of the town forest presents a rare opportunity for development . . . for picnics, hiking trails, nature paths, and camping sites for scouts and other groups, or for individuals.

One valuable town owned district is new Louisa Lake, also known as Parker's Pond. For many years the town has provided fishing, for both adults and youthful anglers, through stocking the waters each spring with trout. Skating is now provided on the Dilla Street end of the pond, and a hockey rink is a future objective. Ice fishermen have been asked to operate above the skating area to avoid any open holes to imperil the skaters. Lighting has been installed to permit night skating. In warmer months a beach area permits swimming. Picnic facilities are planned in the future improvements.

A Junior Conservationist badge is available to scouts, and other groups or individuals who devote a minimum of 10 hours of voluntary clearing and improving bushy and rough sections of these areas. This work is under the direction of this committee.

Much credit for progress to date is due to the cooperation of the Board of Selectmen, the three and highway departments, and the Milford Kiwanis.

One aspect of Louisa Lake that may tend to be overlooked is its value in use as a flood control factor (as a storage basin for spring runoff of water). The section of town north of Fountain Street, and west of

Purchase Street drains primarily into this pond. Increased building will increase the volume of drainage, and points up the need and value of the proposed new dam at Dilla Street. A proper water level must be maintained to prevent the area becoming a marshy, muddy, ill-smelling health menace and threat in further form: as a breeding ground for mosquitos.

Greenbelt areas and parkland preserves are proposed in new real estate developments as part of our long range program. These plans will take time, hard work and the cooperation of many people.

The committee is very grateful for the willing and full cooperation of the Kiwanis, sportsmen, youthful conservationists and town departments.

Respectfully submitted,

Report of the Superintendent of Schools

To the School Committee and Citizens of the Town of Milford:

Herewith I submit respectfully the ninetieth annual report of the School Department and my twenty-second as Superintendent of Schools.

Comments concerning personnel will be found in this report as usual. However, the stress at this time must be placed upon the matter of our physical plant as it affects our program.

The need for the construction of a senior high school is extremely urgent. We are on the very border of being forced to adopt a program of double sessions unless we have additional facilities. An increase of another fifty students in the enrollment of the Milford High School will necessitate a double platooning of classes. Obviously, such a move is undesirable and must not be tolerated.

In addition to the matter of limited housing of our students, I report with regret that our pupils are being short changed in the matter of program. In some of these areas the State Department of Education will have become involved and will be forced by law to consider the matter of invoking penalties because of the restricted program being offered because of lack of space. Substantial penalties may be assessed against the School Department and the Town. No longer will the Milford School Department be allowed to operate its high school without a full program of studies. We must expand our offering to include physical education for boys as well as girls. We must offer a program of household arts for our girls. We must offer a program of industrial arts for boys. We must provide rooms in which to conduct a kindergarten program. We must expand, modernize our library facilities. We must provide better assembly facilities, better cafeteria program, athletic programs for all students including girls as well as boys.

All of the previously mentioned facilities, spaces and services can be made available to our students only by the construction of a new senior high school building. Several studies conducted by individuals and agencies of the highest reputation have indicated the necessity of providing these new facilities and I herewith most strongly recommend the complete adoption of the recommendations for a new senior high school building which are in the process of being submitted to our townspeople at this very hour.

The academic success of each and everyone of our students of the present as well as of the future is directly dependent upon the immediate construction of a new senior high school plant. I endorse and approve such recommendation with all of the strength and enthusiasm which I possess.

A total of \$66,587.07 was received from the Federal Government and expended on federal programs for the benefit of Milford students during 1968. The various federally-aided programs included the following: The so-called Summer Program for grades 1 through 12, (Title I of the ESEA, Public Law 89-10), the so-called School Library Resources Act (Title II of the ESEA, P. L. 89-10), Title III of the NDEA (P. L. 85-864), Title VI-A of ESEA (Special Education) and the Vocational Act (P. L. 88-210). It is planned to continue to participate in such programs and, if possible, to expand them during the coming year.

PERSONNEL

Again, the School Department was able to fill the needs of the teaching force by engaging well qualified teachers who give promise of meeting with success in their duties.

The School Committee is to be congratulated for their profound interest in bringing to our teaching force personnel of high caliber.

During the year of 1968, the following additions and changes were effected:

REPORT OF THE MILFORD REDEVELOPMENT AUTHORITY

To the Honorable Board of Selectmen
and Citizens of the Town of Milford:

The Milford Redevelopment Authority held regular monthly meet-ings during the year at the Planning Board’s office at 126 Main Street.

At present we are working on recertification of our workable program.

The Redevelopment Authority wishes to express its appreciation and thanks to the many town officials who have given us their cooperation and help in helping us to attain our goals for 1968.

Respectfully,
FRANCIS A. CASWELL
Chairman

REPORT OF THE MILFORD PUBLIC MEDICAL HOME AND INFIRMARY

To the Honorable Board of Selectmen
and Citizens of Milford:

I respectfully submit the following report for the year 1968.

During the year 1968, the Milford Public Medical Home has operated efficiently and with a full quota of patients.

After completion of the Sewer and Water Line Project, the State Department of Public Health approved this institution to increase from a forty-three to forty-seven bed capacity.

In accordance with laws of the Department of Public Safety and the approval of Fire Chief Anthony J. Rossetti, along with the Board of Public Welfare, an adjacent building which was proven to be hazardous was demolished.

This being my retirement year I would like to take this opportunity to thank my entire staff for their grand cooperation extended me throughout the years, and to extend my sincere appreciation to the Board of Selectmen, Board of Public Welfare, and the newly appointed trustees along with all personnel of the Milford Town Hall who have been very cooperative in assisting me through all the years that I have held the position of Superintendent at this institution.

Very truly yours,
EMILIO A. PIGHETTI,
Superintendent

TOWN COUNSEL'S REPORT

To the Honorable Board of Selectmen:
Gentlemen:

Herewith I submit the Annual Report of the Law Department of the Town of Milford for the year 1968:

SUITS AND CLAIMS INVOLVING THE TOWN OF MILFORD

At the close of the year 1968, the following constitutes a breakdown of the pending suits and claims involving the Town of Milford.

There are sixteen (16) court suits against the Town of Milford plus several land damage cases pending in Worcester Superior Court arising out of land takings for a new high school and a new elementary school. Further, there are nine (9) claims as a result of alleged sidewalk defect or motor vehicle accidents.

There are five (5) suits now pending in court brought by the Town of Milford. In addition, there are several matters which, if not settled, I will recommend that suit be instituted on behalf of the Town.

Ridgewood Area Apartments. During the year, Country Estates Realty Trust, Andrew Lane Trustee, brought two (2) suits by Writs of Mandamus against the Building Inspector of the Town of Milford. Both of these Writs involved apartments in the Ridgewood area of Milford.

In November 1967, two (2) Building permits were issued to Country Estates Realty Trust. Thereafter, construction was started; two (2) apartment house foundations were completed and one (1) apartment was framed. In the latter part of February 1968, the Board of Selectmen ordered the Building Inspector to revoke the Permits. Hearings were held on the matter and thereafter, Mr. Lane brought suit for the re-issuance of these Permits and for the issuance of additional Permits on Bowdoin.

As Counsel for the Town, I made one (1) appearance in Suffolk Superior Court and ten (10) appearances in Worcester Court; filed pleadings and a Brief on behalf of the Town. The Court ordered that the Building Inspector issue the permits on Bowdoin Drive as expected. Further, I am pleased to report, the Court denied the Writ for Building Permits and damages for the partly constructed apartments on Highland Street. Subsequently, Mr. Lane appealed this Finding to the Massachusetts Supreme Judicial Court where the matter is now pending.

As Town Counsel, I will continue to act in the best interest of the Town of Milford with regard to all claims and suits involving the Town.

Other Activities

During the year I attended the meetings of the Board of Selectmen and, upon request when legal problems arose, meetings of other Town Boards and Departments. I represented the Board of Selectmen before the Commonwealth of Massachusetts Labor Relation Commission on petitions from the Police Department and Fire Department. Throughout the year, I rendered numerous legal opinions to the various Town Boards and Departments and drafted Town Meeting Articles; various agreements, leases, contracts and other instruments with legal ramifications.

At the close of this report, I would like to express gratitude to the Board of Selectmen for appointing me Town Counsel and for their faith and confidence in me. It has been a challenge and great pleasure to serve as Milford's Town Counsel. I would like to thank the Selectmen, their Executive Secretary, and all Town Departments and Officials for the full co-operation during the year.

Respectfully submitted,
PETER S. CASEY

Milford Town Counsel

ANNUAL REPORT OF THE BOARD OF SELECTMEN

To the people of the Town of Milford:

The following is our report to the residents of the Town of Milford. By its nature, the report is intended to present the people of Milford with a brief summary of our activities for the year 1968 and some of our thoughts for the future. Accordingly, we have set forth some of the highlights of the Board of Selectmen during this year, 1968.

INDUSTRY, THE KEY FOR MILFORD'S DEVELOPMENT

Because of generally rising costs and expanded municipal services, all communities are experiencing a need for additional tax revenues. With the added prospect of a new high school, Milford, in particular, will in the near future have to broaden its tax base or face a considerable jump in its real estate tax rate. Your Selectmen feel that new industry is an absolute essential for Milford, both in order to broaden the tax base and also to provide additional employment for the residents of Milford.

Throughout the year, your Selectmen have acted on this premise; a very brief summarization of the activities of your Board of Selectmen with regard to the Industrial Development of Milford is as follows:

1. **Industrial Development Committee.**

After having appointed informed and capable individuals to this Committee, your Board of Selectmen met on numerous occasions throughout the year with the Industrial Development Committee. In addition to these meetings, your Board of Selectmen met with and attempted to co-ordinate plans and discussions between the Industrial Development Committee, the Planning Board, land developers retained by local landowners, and various industries. Further, your Selectmen encouraged Industrial Development Committee members to attend college seminars dealing with the development of Route 495 which they did. This Industrial Development Committee has been most active during the year, and we, as your Board of Selectmen, are pleased to acknowledge the Industrial Development Committee's extensive research of the Town's assets and efforts to attract new industries to Milford.

2. **Co-operation**

On numerous occasions, your Selectmen have met with the Chamber of Commerce, Planning Board, the Industrial Development Committee, private industrial developers, landowners, and others. On all occasions, we have indicated our desire to co-operate, with the best interests of the Town of Milford in mind, with prospective new industry.

3. **Industrial Financing Authority**

At a Special Town Meeting called in May 1968, your Board of Selectmen inserted a properly-drafted Article for the creation of an Industrial Development Financing Authority, which Town Meeting Members quite wisely passed. Thereafter, your Board of Selectmen appointed knowledgeable and able individuals to this Authority. Under a given set of circumstances, this Authority could become a most attractive asset of Milford in its quest for attracting new industry.

Industry is the key for Milford — and, no doubt, the general area of Route 495 is most conducive to attracting substantial industrial development. In order to attract new industry, however, it is necessary for a Town to do more than simply wait — in Milford's case, it is necessary to continue full promotion of the Town and its assets. As your Selectmen, we have instituted this form of promotion which we intend to continue and expand.

MILFORD MEDICAL HOME – BOARD OF TRUSTEES

By reason of the State takeover of Welfare and consequent elimination of the Milford Welfare Board, your Board of Selectmen, on July 1, 1968, became responsible for the Milford Medical Home located on Asylum Street. After thorough consideration, we determined that a Board of Trustees acting under the Selectmen would best accomplish this shift in responsibility for the Medical Home and continue the effective and efficient operation of the Medical Home. Toward this end, we executed a Declaration of Trust establishing a seven (7) member Board of Trustees. Currently, the Board of Trustees consists of the three (3) members of the former Welfare Board of four (4) other capable individuals.

RIDGEWOOD AREA APARTMENTS

In November 1967, building permits were issued to Andrew Lane for apartment buildings on Highland Street in the Ridgewood Area. In February 1968, the permits were revoked after construction was substantially under way. This Board held several hearings with Ridgewood residents and Mr. Lane in attendance. Because of the extent and complexity of the facts and issues relating to this matter, no attempt is made to set forth all details.

Basically, your Board of Selectmen determined not to re-issue the permits as requested by Mr. Lane. Thereafter, he instituted proceedings in the Massachusetts Superior Court by way of a Writ of Mandamus. The Finding by the Superior Court with regard to the Highland Street apartments was in favor of the Town of Milford, whereupon Mr. Lane appealed to the Massachusetts Supreme Judicial Court, where the matter is now pending. We would like to extend our gratitude to Town Counsel, Peter S. Casey, for the conscientious and able manner in which he has handled the case.

FLOOD CONTROL – PHASE III

At the Special Town Meeting called in May 1968 we strongly supported an article to enable Phase III of the Flood Control Project to continue, which Town Meeting Members overwhelmingly passed. The Selectmen, along with Representative Nathan Rosenfeld, Secretary of State, John F. X. Davoren, Town Counsel, Peter S. Casey, and other state and local officials made an on-sight inspection of all areas included in the Phase III project. This project will be of substantial benefit to the Dilla Street area which is of particular concern to the Board of Selectmen, other officials, and residents of the area.

OTHER ITEMS

Licenses and Permits. Throughout the year, your Board of Selectmen acted on applications for various licenses and permits placed under its jurisdiction by the General Laws.

Custodian of the Town Hall and Police Station. At the Special Town Meeting held in November 1968, your Board of Selectmen inserted Articles which had the effect of combining the position of Custodian of the Town Hall and the position of Custodian of the Police Station into one position, that being Custodian of the Town Hall and Police Station. The central reason for this action was that one individual could effectively handle both jobs and would result in a savings of money to the Town of Milford.

Junior League Field — Cedar Street. In the November Special Town Meeting, your Board of Selectmen inserted Articles to establish a Junior League Field on Cedar Street. This was done after discussions were held with Junior League Officials, Babe Ruth League Officials and the Park Commissioners. Further action in this regard will be necessary in the regular Town Meeting held March 1969.

Tree Warden Term — Three (3) Years. In the November Special Town Meeting, your Board of Selectmen inserted an Article to change the term for the Tree Warden from one (1) year to three (3) years, which was favorably acted upon by the Town Meeting Members. This action was taken so as to allow the Tree Warden a sufficient length of time to put into action various plans of his Department.

Christmas Lighting. Your Board of Selectmen met on several occasions with the Christmas Lighting Committee and local merchants with regard to the Christmas Lighting Program. We believe that the Christmas Lighting in 1968 was the most tasteful in Milford's history. We would like to extend our thanks to the committee and merchants.

Rezoning of Lower Part of Bear Hill to Allow Apartments. At the regular Town Meeting held in March 1968, your Selectmen were opposed to a zoning change proposed by a private individual to allow apartment house building on the lower part of Bear Hill. Town Meeting Members voted in accordance with the position taken by the Selectmen and against the Article. Because the area consists mostly of single-family dwellings, we feel this action was in the best interests of the Town of Milford.

Street Lighting. With the factor of public safety a central and major consideration, your Board of Selectmen expended monies during the year to provide street lights for newly accepted streets throughout the Town and increased street lighting on certain thoroughfares. This action was taken pursuant to surveys performed and discussions with Massachusetts Electric Company.

Conservation Committee – Lights on Parker’s Pond. Your Board of Selectmen extends its thanks to the Conservation Committee for providing lights on Parker’s Pond on Dilla Street for skaters. We would also like to acknowledge the extensive work and planning provided by the Conservation Committee in other areas.

Police Program. During 1968, your Board of Selectmen enacted a comprehensive Police Program with the idea in mind of effectively upgrading our already most able police force. Some of the highlights of the program include salary increase for collegiate study in police science; reimbursement to the officer of one-half of each cost; and an in-service training program.

Registry of Motor Vehicles. During 1968, fire forced the Registry of Motor Vehicles to relocate. Unfortunately, the Registry saw fit to establish its office on a temporary basis in Upton, a Town with a much lower population than Milford. Prior to this move, your Board of Selectmen had numerous correspondence and conversations with appropriate Registry Officials in order to encourage the Registry to remain in Milford. We have received the assurances of the Registrar of Motor Vehicles, Richard E. McLaughlin, that when the Third District Court of Southern Worcester vacates its area in the Town Hall for its new location in the new Courthouse on Route 140, the Registry will return to Milford.

Town Report – Back Page Information. This year we have restructured and expanded the information set forth on the back page of the Town Report so as to enable the people of Milford to contact the appropriate Department with greater ease.

Massachusetts Department of Public Welfare—Lease. Prior to the July 1, 1968 takeover of Welfare by the State, we entered into a Lease with the Massachusetts Department of Public Welfare for facilities at the Town Hall. We have been informed and expect that the Massachusetts Department of Public Welfare will continue to maintain offices in the Town of Milford and that they will at some later date construct new facilities for that purpose.

Highland Street and West Fountain Street Reconstruction. With regard to Chapter 90 reconstruction of Highland Street and West Fountain Street, your Board of Selectmen has been in contact throughout the year with the appropriate State Engineers, and plans call for full reconstruction of Highland Street and West Fountain Street during the Spring of 1969.

Appointment of New Individuals to Local Committees. Throughout the year your Board of Selectmen has made an effort to appoint interested individuals to Town Committees and Boards in order to bring about new ideas and people involvement. We have pursued a policy, where possible, of appointing one person to only one Board, so that the individual may be able to more effectively function. We will continue to seek out new individuals interested in working on behalf of the Town and will continue to maintain our open-door policy.

Burned and Dilapidated Buildings. Of major concern to the Board of Selectmen during 1968 was the status of various burned and dilapidated buildings in Milford. Your Selectmen have worked closely with the Board of Health and Town Counsel to be certain that such buildings were removed as soon as possible. Many property owners have removed such buildings upon request. Several such buildings have, however, presented tenacious problems. One such problem was the Railroad property located on Central Street which we are pleased to note has been removed as a result of our persistent efforts.

We, as a Board and individually, would like to express our sincere gratitude to all Town Officials and Departments for their helpfulness and complete co-operation throughout the year. Lastly, we would like to extend our gratitude to the voters of the Town of Milford for making it possible for us to serve the Town of Milford in the capacity of their Board of Selectmen.

Respectfully submitted,
JOHN T. MAHER, *Chairman*
